## COMMENTS FROM THE TOWN MANAGER'S OFFICE

The tarring is finally finished except for a couple of streets. Main Street and Church Street were on the schedule to be tarred but could not be worked in. When the weather was right, the traffic and parking were heavy. When the traffic and parking eased up, the weather was bad. Main Street will have to be penetrated after it is rebuilt and maybe Church and Main Streets can be tarred then.

The three permanent members of the highway crew are on vacation this week so work this week has been confined to street patching and spraying for brush control.

There seems to be very little interest in the removal of elm trees that are dead or dying from Dutch Elm Disease. A total of five people have contacted me about the matter and that is a very small number compared to the number of property owners in town who have diseased trees. I will be available Saturday morning at 9 o'clock in the Community Room to explain what I know about the program and assist people who might be interested in their elm trees. The number of dead trees will increase as time goes on and the cost will be greater rather than smaller.

There is a point about elm trees that has come up that I would like to clarify. Dead elm trees that are on town property may be taken down by an abutting property owner and the town will bear the expense of trucking the brush and tree away. The expense of taking the tree down must be paid by the abutting owner unless the tree is scheduled to be removed this year by the town.

Miss Jane Luxton enjoyed an overnight visit on Saturday with her parents, Mr. and Mrs. Alton Luxton. She returned Sunday morning to Farrington's Lodge, Center Lovell, where she is employed for the summer.

## LOCAL BOY SCOUTS RETURN FROM WEEK AT BOMAZEEN

Thirty-two Boy Scouts of Bethel Troop No. 565 returned home Sunday from a happy week at Camp Bomazeen, North Belgrade. Boys who attended were: Scott Annis, Lloyd Sweetser, Tom Gibbs, Jerry Gibbs, Dick Waldron, Dave Hutchins, Tom Davis, Andy Davis, Jim Davis, Jim Perkins, Jim Young, Bill Eames, Steve Hastings, Doug Farrar, John Thurston, Danny Vogt, Seth Timberlake, Craig Davis, Wayne Davis, Mike Heino, David Keniston, Craig Walker, Gary Page, Alan Remington, Charles Smith, Preston Merrill, Dean Murphy, Michael Gordon, Greg Cummings, Mark Bailey, Steve Blake, Neal Bean, Mitch Robertson.

Unlike Camp Hinds, in Raymond, where the boys go as individual Scouts, at Bomazeen the boys go as a troop (accompanied by their own Scoutmaster and parents, who can spend a day or two with them) and live together for the week in one particular campsite. Nob Hill has been Bethel's favorite spot for several years but with 32 boys attending this year, they found that they had outgrown Nob Hill, and had to move to a larger site at Hemlock Hill.

Camp activities include waterfront sports, including swimming, diving, boating and canoeing; work on merit badge requirements, etc. Highlight of the week was the three mile overnight hike by all the Scouts except the swimmers who were privileged to participate in a canoe overnight. Local Scouts making the canoe trip were Tom Davis, Dave Hutchins, Bill Eames, Jim Perkins, and Dick Waldron.

During the day, the boys worked on merit badge requirements with most boys earning at least one badge.

Parents and friends who accompanied the boys to Bomazeen were: Carroll Valentine, Richard Waldron, Troop Committee chairman, Ernest Perkins, Scoutmaster; Samuel Timberlake, Stanley Davis, Frank Vogt, Dana Brooks, Charles Farrar, Guy Gibbs, Robert Davis, Richard Blake.

Parents who helped with transportation to and from camp were: Richard Blake, Robert Davis, Rodney Eames, Donald Walker, Harold Young, Ernest Perkins, Robert Keniston, Guy Gibbs, Richard Waldron, Roland Amos, Murray Thurston, Henry Hastings, Lawrence Bailey, Mrs. Albert Smith, James Hutchins.

## NEWRY VOTES TO BUILD SCHOOL HOUSE

Newry citizens voted Wednesday to build a new school located on Bear River. A school building committee was appointed.

The proposed building would be 49 by 36 feet and would contain two classrooms, a teachers room and toilet facilities. One class room would be the length of the building with a folding partition that would make it possible to make two small rooms if deemed necessary.

The cost of such a building will be a total of \$31,000; \$13,385.36 has been raised for this fund and the treasurer and selectmen were authorized to borrow up to \$20,000 on a long term note to pay the balance. If this is paid in 15 years it will be less than the yearly \$2,000 now appropriated.

It was voted to name the new school, Raymond Foster School.

Mrs. Hannah Dock and Miss Susan Huty of Woodstock, N. Y., are visiting Norman Dock.

It is to be noted this week that the service station erected over a score of years ago on the corner of Church and Railroad Streets has been torn down. The structure was built by Gardner Brown and operated by him for many years. Other proprietors of the station over the years were D. Norman Humphrey, Joe Perry, Tom Yates, and Gayland Doane. The property is now owned by Gould Academy.

kins, Scoutmaster; Samuel Timberlake, Stanley Davis, Frank Vogt, Dana Brooks, Charles Farrar, Guy Gibbs, Robert Davis, Richard Blake.

Parents who helped with transportation to and from camp were: Richard Blake, Robert Davis, Rodney Eames, Donald Walker, Harold Young, Ernest Perkins, Robert Keniston, Guy Gibbs, Richard Waldron, Roland Amos, Murray Thurston, Henry Hastings, Lawrence Bailey, Mrs. Albert Smith, James Hutchins.

## MOLLYCKETT DAY AUGUST 1

"Mollyckett Reviews the Nations" will be this year's Mollyckett Day Parade theme as announced by parade co-chairmen, Mr. and Mrs. John Greenleaf. The parade will start promptly at 11:30 a. m. on Aug. 1; and children of all ages are invited to march in costumes of any nation of their choice, or they may use decorated bicycles, doll carriages or carts. There will be two prizes awarded for walkers, and two for decorated vehicles. Float entries are reported coming in very well, and a good showing is anticipated. Trophy chairman, Roger Luce, reports that three trophies will be awarded for the best floats.

More members are needed for the band—if there is to be a band to keep the young paraders in step. All citizens interested in participating in the band are asked to contact Mr. and Mrs. Eldon Greenleaf, who are assisting the parade chairman.

Mr. and Mrs. Lincoln Foske, co-chairmen of the Hospital booth decorating committee, are making international flags for display on all the booths to follow the parade theme.

Although the game party has been retracted by the American Legion this year, the equipment has been made available; and another organization is being sought to carry on the game party.

Items are still needed to make the auction a special highlight of the day. Those with articles to donate should contact Randall Stevens or Steve's Garage.

There is still time to donate your time and efforts towards making August 1 another successful Mollyckett Day. Free to contact the co-chairmen, Mr. and Mrs. Warren Hastings and donate your services.

Mrs. Edna Ackerman and children, Danny, Susan, Donna, Ann and Joan, of East Rutherford, N. J., went to Millsfield, N. H., Sunday, after visiting Mr. and Mrs. Stanley I. Brown and family.

Miss Louann Brown visited friends in Biddeford last week end.

Miss Helen Varner is spending several weeks in Bars' Corner, Nova Scotia, Canada.

Mr. and Mrs. James Hutchins and Susan spent the week end with relatives in Bucksport.

Mr. and Mrs. Richard Waldron, Gertrude and Dickie, are spending the week at Hermit Island, Small Point.

Wayne Perry is enjoying a two week's vacation with his parents, Mr. and Mrs. Joe Perry and friends in Naples.

Mrs. John Greenleaf, Christine and Joan, are visiting relatives in Connecticut, and attending the World's Fair.

Mr. and Mrs. Louis Van Den Kerkhoven were week end guests of Dr. and Mrs. Henry Beeson and family in Bucksport.

Miss Ruth Tebbets returned home Saturday from a visit with her aunt and uncle, Mr. and Mrs. Paul Dickson, East Aurora, N. Y.

Mrs. Lois Morrill and daughter, Shirley, are enjoying a trip this week at Portage Lake to visit a brother, who has bought a summer home there, from there they will take a trip through Canada and other places.

## The Week in Oxford County

Robinson Manufacturing Co., Oxford, has been awarded a \$20,539 contract for wool cloth. The Defense Clothing and Textile Supply Agency, Philadelphia, Pa., placed the order.

Fire caused by lightning damaged the barn and equipment stored in it at the home of Mr. and Mrs. John Swan, Dixfield, Sunday a. m. Damage was estimated at \$3,000.

Employees of Stowell-MacGregor mills of the Coats and Clark Company, Dixfield, are enjoying a two weeks vacation. Repair and maintenance crew remain on duty.

The new super market, South Paris-Norway, is celebrating a gala opening this week. Oxford County blueberry growers held a meeting July 17 at the Fire Hall, South Paris. The crop outlook is reported to be very good.

Alvin Brown, East Waterford, has been appointed as a Farmer Home Administrator committee member for Oxford County. He will serve a three year term.

Mrs. Kathleen McAllister, Corres.

Franklin Grange met Saturday night at their hall with a good attendance. Visitors were present from Oxford, Norway, Round Mt. (Albany), Frederick Robie, and Crooked River Granges.

The first and second degrees were conferred upon Phillip House and Alicia Cash, of Franklin Grange and two candidates from Round Mt. Grange, in a very impressive manner by a degree team from Oxford Grange, with the following officers: Master, Francis Conant; Overseer, Raymond Coleman; Lect., Evelyn Jackson; Chap., Marjorie Coleman; Sec., William Scanlon; Treas., Evelyn Scanlon; Steward, Laurence Freeman; A. S. Steward, Hazel Conant; Gatekeeper, Lewis Bisbee; Ceres, Myrtle Bisbee; Pomona, Shirley Foster; Flora, Evelyn Freeman; L. A. S., Geraldine Coleman; Pianist and Soloist, Arlene Swan (substituting for Dorothy Canwell); Ex. Comm., Maureen Brett, Florence Brett and Eva Swan.

It was reported that \$28.60 was cleared from the food sale. The next meeting, Aug. 15, will be observed as Past Master's Night. Refreshments were served in the dining room after the meeting.

Mrs. Eva C. Twitchell, chairman of the local branch of the American Red Cross, announces application blanks for swimming classes may be obtained at Cole's Hardware, Ken's Market and Littlefield's Beach, for those wishing lessons this season. Please return blanks to Mrs. Twitchell by Aug. 1st.

Mrs. Verna Swan accompanied by Phillip House and Alicia Cash attended Round Mountain Grange, Albany, Monday evening.

Mrs. William Riley and daughters, Candace, Crystal and Tilla, of Dhanran, Saudi Arabia, have arrived to spend the summer with her parents, Mr. and Mrs. Ralph Verrill, and her daughter and husband, Mr. and Mrs. James Whynnaught.

Miss Kaye Ring, Lewiston, was a week end guest of her parents, Mr. and Mrs. Linwood Ring. Saturday, accompanied by Mr. and Mrs. Arthur Ring and family of Freeport, they enjoyed a trip to Boothbay.

## CAPITOL COMMENTS

CONGRESSMAN

CLIFFORD G. MCINTIRE

MAINE, SECOND DISTRICT

## Social Security Benefits

As recently reported, I have introduced legislation designed to raise from \$100 to \$200 the amount of money a Social Security beneficiary could earn before taking a reduction in benefits. Encouragingly, the House Committee on Ways and Means approved legislation making changes in the Social Security Program the other day and I offer the following highlights on the measure.

Altogether, more than 20 million social security beneficiaries would gain under the bill, with a five percent across-the-board increase being provided in old age, survivors, and disability insurance benefits.

The family maximum benefit would be increased to \$300 per month, and the minimum individual benefit would be raised from 127 to \$143.40 monthly.

The eligibility requirements of people 75 years of age or older would be liberalized, making it easier for our senior citizens to qualify for social security benefits.

Widows would be able to choose reduced benefits at age 61 instead of the present age 62.

Firemen and policemen—now excluded from social security—would be put on the same basis as other employees, and self-employed medical doctors would

receive coverage for the first time.

Benefits would continue for a child, still in school or college, up to the age of 22, whereas the child's benefits presently terminate at age 18 unless the child is disabled.

To finance these increased benefits, the Social Security tax would be applied to the first \$5,100 of yearly earnings instead of the present \$4,800.

The prospects that this legislation will receive consideration in the current Congressional Session are good—and, in the interests of my constituents, I will follow the bill closely.

## Drought Relief

Although rainfall of late has been adequate for farm purposes, the dry spell that visited Maine in early summer caused some serious concern over crops.

Early in July, Governor Reed petitioned the Secretary of Agriculture to make various forms of assistance available to Maine farmers as an offset to the drought conditions. Around that time I communicated with Secretary Freeman, urging him to give serious consideration to lifting federal restrictions for grazing on soil bank lands, providing low-cost feed grains from federal government bins, and extending emergency loans through the Farmers Home Administration for farm operations.

In response to these urgings, the Department of Agriculture notified the State of Maine on July 9, that it was eligible for grazing privileges on soil bank acreage. While the drought situation is now somewhat alleviated, this assistance will prove helpful for the present and serve as good insurance against needs that might arise in the near future.

## LETTERS TO THE EDITOR

July 23, 1964

To the Editor of the Bethel Citizen:

Several years ago I had occasion to deplore, in your columns, the absence of public benches in the Village of Bethel. The letter which I then wrote aroused some interest and widespread comments of agreement. To the continued discomfort of those of us who need such a facility, there still isn't a single public seating accommodation in the entire town. For example, it was hot in town yesterday when I entered. I completed my business and had to wait about fifteen minutes for my wife to pick me up. There simply wasn't a single place to sit down. The sun was unbearably hot, and I finally had to go into the Casco Bank to find some relief. A bank is a place in which we resolve our financial problems. It shouldn't be required to

notify the State of Maine on July 9, that it was eligible for grazing privileges on soil bank acreage. While the drought situation is now somewhat alleviated, this assistance will prove helpful for the present and serve as good insurance against needs that might arise in the near future.

## Dear Sir:

Do you have any relatives or friends who would like to receive copies of CAPITOL COMMENTS? If so, please send me their names and addresses. I will be very happy to add them to my mailing list.

alleviate our physical discomforts. However I was grateful for the permission to sit there, protected from the merciless rays of the sun.

I recall vaguely that one citizen of Bethel who replied to my earlier letter pointed out that original grant of the common to the Village of Bethel limited its use to children's activities. To begin with, in the years that I have been here, I have seen the Commons used for very worthy activities which were not even remotely connected with children's recreation. Furthermore even if there is a restricting condition of the kind mentioned above in the original deed the erection of a bench would not be a breach of that condition under its strictest interpretation. Assuming that the Commons must be limited to the recreational uses of children, the parents who bring the children and others who simply look on have an inherent right to sit down on a bench while they are on the Commons as guardian of the children, or even mere spectators. The cost of a few wooden benches would certainly be insignificant. Why the interminable delay? Indeed, one would look in vain for a town as active and as large as Bethel, without a trace of public seating accommodations. The natural beauties of Bethel, the Gould Academy, the NTL, the ski area, the location of Telstar at neighboring Andover, the rewards of hunters and anglers in the area, all attract literally thousands of people to Bethel annually. Of course there is no way of estimating how many of these feel keenly the need of a public bench during their respective visits. Judging from casual remarks that have been made in my hearing, the number is not

unimportant. It is obvious that the many people who use the laundry in town are frequently discomforted by lack of a convenient place to sit while their clothes are being washed and dried in the automatic machines. The process takes about an hour and the wait is usually uncomfortable. Under the circumstances a public bench strategically placed under a shade tree would be a blessing.

Those of us who return here every summer, view the growth of the town of Bethel with admiration. This year alone several new imposing structures have been erected in Bethel and its immediate surroundings. These added facilities attract more people. The town is gradually gaining fame as a winter ski resort. There is perceptibly more and more activity in the town as the years elapse. In fact during the NTL summer sessions, there is a mild housing shortage. Every civic minded person welcomes this growth. It portends a future community well-being. The community can ill afford to continue to be unmindful of the creature comforts of its own residents and of its many visitors. It is hoped that the competent and well-intentioned Town Manager of the Town of Bethel will inaugurate a series of steps that will lead to the early erection of a number of benches around the village—including of course, several on the Commons. It has been disappointing that several of the more knowledgeable and influential citizens of Bethel have not interested themselves in this apparent lack of a needed public facility that would add little if anything to the town budget.

Sincerely,

Mark E. Cyren

## FARM OWNERSHIP LOANS HELP SOLVE CREDIT PROBLEMS

Farm ownership loans accompanied with technical management assistance helped a number of families in Oxford County during 1963 with credit problems concerning purchase, enlargement or improvement of farms, development of recreational enterprises or refinancing of debts, reports Elwyn A. Morrow, Farmers Home Administrator.

"Farm ownership loans are made only to family farmers unable to obtain credit from other sources at reasonable rates and terms," emphasized Mr. Morrow. "Although applications from eligible veterans are given preference, both veterans and non-veterans must meet the same eligibility requirements." Farmers Home Administration's farm ownership loan program was of particular benefit during 1963 to the following types of Oxford County families:

tation county supervisor.

An additional 40 farm families continued to use FHA farm ownership credit previously obtained, explains Mr. Morrow. "Farm ownership loans—tailored to the individual borrower's needs—are made only to family farmers unable to obtain credit from other sources at reasonable rates and terms," emphasized Mr. Morrow. "Although applications from eligible veterans are given preference, both veterans and non-veterans must meet the same eligibility requirements."

Farm families needing credit assistance to buy a farm, established and young farm fam-

ilies needing financial assistance for development and enlargement of farms, and farmers in financial difficulties—due mainly to causes beyond their control—who need long-term credit for financing debts.

The interest rate for farm ownership loans is 5 percent with both interest and principal amortized into equal annual installments. Each loan is scheduled for repayment over a period not to exceed 40 years.

Complete FHA ownership loan information may be obtained from Mr. Morrow at his office, Masonic Building, South Paris, Maine.

## PALMER - TODD

Mr. and Mrs. Earle A. Palm-er, Jr., announce the engage-ment of their daughter, Shar-lene Ann, to James Edward Todd, son of Mr. and Mrs. Clar-ence E. Todd of West Paris.

Miss Palmer is a 1963 gradu-ate of West Paris High School. This fall she will be entering her senior year at Westbrook Junior College, Portland.

Mr. Todd was graduated from West Paris High School in 1957. He has served four years with the United States Air Force. He is employed at Oxford Pap-er Co., Rumford.

No date has been set for the wedding.

All voters of the Town of West Paris are urged to attend a special town meeting at the West Paris Gymnasium Mon-day, July 27, at 7:30 p. m., to act on the following articles, to wit:

Article 1. To choose a moder-ator to preside over said meet-ing.

Article 2. To see what action the Citizens will vote to take concerning the additional cost of construction of the proposed school building voted on in the annual Town meeting of 1964.

Article 3. To see if the Citi-zens will authorize the Select-men to transfer one thousand dollars (\$1,000.00) from the 1964 excise tax account to the highway account, said sum to be used to construct Kingsbury Street, so-called, from Pioneer Street, to Main Street.

Article 4. To see if the Citi-zens will vote to permit the Se-lectmen to contract with the West Paris Water District for rental of a hydrant to be install-ed near the new school build-ing.

Stanley Cram is enjoying a two week vacation from the Norway Advertiser office, spending part of it at Little-field's Beaches with his wife

their son, Glenn. They brought their young grandson, William Green, back with them. Mr. and Mrs. Glenn Hutchinson are spending their honeymoon here.

Mr. and Mrs. C. A. Judds are very busy now harvesting their extensive garden products—strawberries, raspberries, peas, beets and other vegetables and very soon—blackberries.

Tommy Thompson and fam-ily and friends of Florida were guests of Mr. and Mrs. Howard Douglass last week. Also Mrs. Mary Davis and family of Beth-el visited her parents, the Douglasses, recently.

### MOLLYCOKETT DAY ART AND CRAFT EXHIBITS

Bethel's fifth annual art show of local painters will be on Mollycokett Day, from 11:00 a. m. to 5:00 p. m. in the Chapman Barn. According to the co-chairmen, Mrs. Bruce Bailey and Mrs. Ordell Anderson, this year's exhibition promises to be one of the largest and most interesting to date.

Approximately fifty pictures have been entered. Almost all of the former painters have new works, and several new people have discovered that painting is fun, namely: Arthur Gilbert, Mrs. Lolly Garneau, Douglas Bane, Mrs. Kenneth Hamage, Mrs. John Frankovic, Mrs. Leland Brown, Richard Jacobs, Clinton Jenkins and Mrs. Alva Morrison. Five portraits have been entered. Other subjects are the Sunday River Bridge, the bend in the river by the Norseman, Christopher Bean's Ferry at East Bethel, snow scenes, local animals, scenes on the Maine coast, and many more. Observers will be asked to vote for their favorite picture.

There will be two interesting items in the loan exhibit. One is a still-life picture of fruit painted by Richard Robbins, Hamstead Heath, England, for Miss Margaret Tibbets in 1950, when Mr. Robbins was an 18-year-old student at New College, Oxford University. Also, on display, there will be twelve Oriental miniatures, hand painted on rice paper and 100 years old.

By popular demand, a new craft exhibit will be featured this year to be held in the Legion Rooms from 11:00 a. m. to 5:00 p. m. Co-chairmen, Mrs. E. J. Webster and Mrs. Robert H. Hastings, are both well known for their skilled craftsmanship, and they have announced that the following crafts are among those to be exhibited to date: hooked and braided rags, furniture refinishing, tray painting, con-wyaths, leather work, and patchwork quilts.

All area citizens are invited to help make this exhibit a new highlight by submitting their own handicrafts for display. A good variety will provide interest and encourage removal of the project yearly. Contact either of the co-chairmen if you have crafts of any kind available to exhibit.

There will be no admission charge to either exhibit, but contributions to the Bethel Health and Service Council Fund will be welcomed.
